NOTES

Marginal annotations in Latin by a different late-fifteenth-century hand to both *RVF* poems and the *Triumphi* either provide some explanations on the content of some poems and regarding historical and mythological figures mentioned in the *capitoli*, or give short paraphrase of some lines; a few other marginal annotations by the same hand add some missing lines; a few *maniculae*.

Historiated initials for *RVF* 1 showing Petrarch sitting and writing (fol. 9r), *RVF* 264 showing angels

over a sleeping figure (fol. 115v), and *Triumphus Amoris* I showing the representation of the triumph (fol. 157r); decorated initials for each letter of the alphabet in the alphabetical index of the first lines; at fols. 9r, 115v, and 157r is an architectural frame.

After fols. 187, 188, and 189, some fols. are missing (some fols. with *Triumphus Fame* III.54-121 and *Temporis*.1-48 after fol. 187; some others with *Triumphus Temporis*.107-145 and *Eternitatis*.1-76 after fol. 188; and another one with *Triumphus Eternitatis* 135-145 after fol. 189).

A microfilm (MF 688) was used to create this entry.
