NOTES

Scattered very short marginal annotations by a later sixteenth-century hand either refer to the names mentioned in Petrarch and the rhetorical figures employed, or provide alternative readings and missing words or lines; some *maniculae* and passages highlighted by vertical strokes close to the end of the lines; running header for each *RVF* poem.

At the bottom of fol. 163v, a different sixteenth-century hand wrote 'Finisce il Petrarca'. This note is followed by a library note dating to the nineteenth century.

At fols. 107v-108r, *RVF* 171 has been copied twice. The second transcription was crossed out by pen.

Decorated initial in gold for *RVF* 1 (fol. 1r).
