## **NOTES**

Marginal annotations probably by the same hand either add some missing words or lines; or provide a few variant readings; or else point out the name of the characters mentioned in the texts. Further marginal annotations in either Latin or Italian by the same hand either give short paraphrases of some passages (mainly of the *Triumphs*), or provide historical explanations of the characters, or else point out rhetorical features employed by Petrarch.

Decorated initials for *RVF* 1 (fol. 14v), the beginning of each *Triumphus* and each subsequent *capitolo*.
