## NOTES

A good number of the first thirty *RVF* poems and a very few other later ones have marginal annotations in Latin by the same hand, which either give a very short summary of the poem (or a passage) or translate a sentence by Petrarch, or else point out some rhetorical features. Other marginal annotations by the same hand either add some missing words or lines, or provide a few variant readings, or else point out some names mentioned in the poems; a few *maniculae*.

Decorated initials in gold for *RVF* 1 (fol. 1) and *Triumphus Mortis* II (fol. 136r); decorated initials for the other beginnings of each *Triumphus* and each subsequent *capitolo*; at the bottom of fol. 1r is a

coat of arms within a wreath.
