NOTES

At fols. 61r-71v, scattered marginal and interlinear annotations by the same hand either correct the poems, or give variant readings.

At fol. 15v is a full-page black-ink drawing of a nobleman with a hound and a falcon. Before and after the drawing, the *capitolo* 'Io non posso pur farche dio non torni' of Zenone's *Pietosa fonte* continues with no interruption from fol. 15r to fol. 16r.
