## NOTES

Anastagi's commentary is structured as a series of annotations (numbered from 1 to 592) on *RVF* and *Triumphi*. These annotations include: 1) presenting, in quotations beneath lines from Petrarch, parallel references to other (mostly classical) authors; 2) quotations from Petrarch's vernacular works, particularly to illustrate how he developed themes; 3) thematic analysis with notes on

classical and religious authorities; 4) paraphrases or explanations of some passages.

At fol. 153r the transition from *RVF* to *Triumphi* is not indicated by Anastagi; similarly, the sequence of annotations continues.

Ms. B 24 of the Biblioteca Augusta of Perugia contains another autograph copy of the same work.
