NOTES

Next to both the beginning of each *RVF* poem (or *stanza* of *canzone*), and some passages of each *capitolo* of the *Trumph*, marginal annotations by the same hand in Italian provide a short summary of the content of the poem and focus on historical issues mentioned in the text. This set of annotations may be related to that contained in ms. Venice, Bibl. Nazionale Marciana, It. IX, 283 (= 6318).

Some further marginal annotations by the same hand either add a missing word or line, or provide variant readings; some *maniculae*.

Fols. 1 and 11 have been substituted by two new fols. with the same content (i.e. alphabetical index of the first lines of *RVF* poems [from A to L]; and *RVF* 23.134-169, 24, and 25, respectively), written by a sixteenth-century hand.
