NOTES

Brucioli's commentary provides a summary of the meaning of the poems and a clarification of their literal sense. *Canzoni* are accompanied by longer, *stanza-by-stanza*, expositions. Normally, the last few lines of the commentary illustrate the meaning of some difficult words identified in the initial index (fols. a2r-a7v) by offering more easily understandable synonyms.

In the Vatican copy is an attached bookplate at fol. a1v with cardinal Francesco Saverio de Zelada's *ex libris*. Fols. O2r-O3v with *RVF* 136-139 are handwritten since the original fols. have been ripped out.
