NOTES

RVF 13-366 are missing due to the loss of fols.

Next to the lines of *RVF* are occasional Latin annotations either explaining some obscure passages or providing the date of Petrarch's love for Laura (next to *RVF* 3.2 at fol. 1r: 'dies ueneris su. in an[n]o d[omi]ni 1327 de mense aprilis').

Decorated initial in pen for *RVF* 1 (fol. 10r).

On Petrarch's forged epistles see Wilkins 1959.
