## **NOTES**

Fols. 1<sup>1</sup>-8<sup>1</sup>: modern annotations are due to Vincenzo Follini (1759-1836), who was the librarian of the Magliabechiana library of Florence at the beginning of the nineteenth century.

Seven fols. are missing in total, one each between fols. 15 and 16, 123 and 124, 124 and 125, and four others after fol. 127. In the right margin of fols. 10v and 19r is inserted a *RVF* poem (18 and 35 respectively; the left part of the recto and the right half of the verso of fol. 125 have been cut off, as a consequence only the right half lines of the poems at fol. 125r are readable).

The sequence number of each *RVF* poem is indicated twice: in Roman number and red ink above it and in Arabic number and black ink next to the first line of each poem; few *maniculae*.
