NOTES

The sequence of *RVF* poems is 1, 3, 2, 4-79, 81, 82, 80, 83-103. In the margins, names of authors and historical figures are listed in red ink by the same hand that transcribed the text. There are very occasional marginal annotations by the same hand (e.g. quotation from Aristotle at fol. 16v;

comment on a mistake by Ovid at fol. 31r).

Fol. 1r has a rich architectural frame with floral decorations, cupids, and mottos; at the top, within the frame, there is a medallion portrait of Petrarch, and at the bottom there is a scratched out coat of arms. Initial in gold for *RVF* 1.
