## NOTES

Fol. 1r has initial in gold for *RVF* 1 and a decorated architectural frame with a coat of arms at the bottom and a rectangular-box illumination in the top half of the fol. It represents Laura before a group of five women holding a bay tree from whose foliage cupid is about to shoot an arrow towards Petrarch. Fol. 141r has a historiated initial representing a woman (presumably Laura) and an elegant architectural frame decorated with floral decorations, small animals, and two cupids holding a blank coat of arms at the bottom of the fol.

Blank space at the beginning of the second part of *RVF* at the top of fol. 95v, probably to be decorated with a rectangular-box illumination. The order of *RVF* poems does not correspond to that of Vat. Lat. 3195 and has a *lacuna* for poems 9-17 (except for *RVF* 11); the order of *RVF* poems is provided in the 'Descrizione del codice' of the CD-Rom *Due manoscritti petrarcheschi: Varia 3: F. Petrarca, Rime; Vitt. Em. 1632: Cicerone, Tusculanae disputationes, con postille autografe di Petrarca*, saggi di Antonio Maria Adorisio, Domenico Ciampoli, Silvia Rizzo (Rome: Biblioteca Nazionale Centrale, [2004]). At fols. 43r and 58v-59r *RVF* 114, 136-138 have been erased; few

*maniculae.*

Although the name of the copyist ('Gentilis poeta') does not give precise identification, he is the same copyist of ms. Clarke 24 of the Bodleian Library of Oxford (Manus).
