NOTES

Fol. 1r-1v: the index of first lines is provided with some references to the different order of *capitoli* and variant readings in two sixteenth-century print editions of the *Triumphus: Il Petrarcha con l'espositione d'Alessandro Vellutello* (Venice: de Vidali, 1528, and Venice: Giolito, 1552). Fols. 2r and 28v: marginal annotations by the same hand who transcribed the index with references to variant readings of *Triumphus Amoris* I.4 and to the lack of *Triumphus Fame Ia* in the aforementioned printed editions.

The loss of a fol. between fols. 42 and 43 is the reason for the missing lines in *Triumphus Temporis* and *Eternitatis*.

Fol. 2r has an architectural frame with floral decorations, an initial in gold for *Triumphus Amoris* I.1, and a blue coat of arms encircled in gold.
